

Cascade Sports Car Club presents
 The April Friday Night Road Rally
April Glowers

by Monte and Victoria Saager
 April 2, 2010

Thanks to all the contestants for providing us with another fun and entertaining evening in the countryside. I'd also like to thank Renee and Marinus Damm for helping us get the rally rolling at the start and Marcus Song for stopping by to make sure there was a clock at the start. Our favorite "event moment" had to be when Marcus and April arrived at the last checkpoint only to have Marcus ask us why there was an ITIS on NRI 43 in Leg 5. Oops! We chuckled for the rest of the night.

We found a scoring error or two after the fact so though no trophies will be re-awarded, the standings for season points will be corrected. The official final results are:
