

2012 *Cascade Sports Car Club* Drivers Training Instructor's Seminar

February 11th (8:30-3:00)
Featuring Parker Johnstone

Please join us for the 2012 Instructor's Seminar. This will be an important event to attend in order to maintain the quality of our driver trainings.

We will spend the morning with Parker Johnstone (previous Indy car driver and Bondurant instructor) at Parker Johnstone's Wilsonville Honda. He is a dynamic speaker with lots of knowledge to impart and many stories to tell. We will also have a discussion time for all instructors to bring up questions and issues.

After a FREE Pizza lunch, we will reconvene at PIR where Gary Bockman will conduct the instructors' track walk. We want all of our instructors teaching the same "school" line, so please plan to be there!

Any instructor who did not attend last year's Instructors' Seminar is required to attend this year, but this is beneficial to all to keep us all on the same teaching page and to bring your feedback to our attention. Please do your best to attend.

Seminar Location: Parker Johnstone's Wilsonville Honda
30600 SW Parkway, Wilsonville, OR 97070.
The website for directions is www.wilsonvillehonda.com
