Guaranteed starting position at each Friday Nighter. Since you're already registered, no more showing up early to make sure you get the car number you want – show up for the drivers meeting, do a self technical inspection and then rally!

Plus you run eight events for the price of seven – a \$15 savings!

***Note:** Novice entries do not count toward 2011 Friday Night Series Points competition. Entrants are encouraged to compete in the Novice class only until they have a good working knowledge of the rules. Then competitors can run in SOP or above in order to earn Championship Points.
